Dear Auburn Village School Families and Staff,

This is a follow-up to my letter from earlier this afternoon regarding the report of a positive COVID-19 case. We now have been notified of a second positive case at Auburn Village School. As a result, the **entire school** will shift to remote learning on Monday, January 11, 2021 to thoroughly disinfect all areas of the school. We will notify parents tomorrow about the plan to return to in-person learning. After a thorough contact tracing, close contacts will be notified by tomorrow afternoon. If you have any questions pertaining to your child's shift to remote learning, please contact Principal Collins.

Sincerely,

William J. Rearick
Superintendent of Schools
