

PATS PEAK

Learn to Ski & Ride Program

2023

The Pats Peak Learn to Ski & Ride Program will begin Wednesday, January 4 and run for 5 consecutive weeks. **Registration for the program ends on January 1, 2023.**

This is an Auburn Parks and Recreation program. Efforts to contract bus services were unsuccessful so there will NOT be bus transportation provided this season. Participants must establish their own means of transportation to/from the mountain. Students should strive to arrive at Pats Peak about 3:30. Children not enrolled for lessons may free ski for the entire visit. Children enrolled for lessons break from free skiing to meet with their instructors for the 1-hour lesson starting at 4:30. The program ends at 7:00; however, families may remain at the mountain longer if desired.

Pats Peak Learn to Ski & Ride Program uses 100% online registration. Select the [Click Here to Register!!](https://www.patspeak.com/Lessons-Rentals/Learn-to-Ski-Ride-Program.aspx) link on this page. (<https://www.patspeak.com/Lessons-Rentals/Learn-to-Ski-Ride-Program.aspx>). Use program Access Code **AUBURN2023** (no spaces) when prompted. After finishing the online enrollment, please complete our Program Questionnaire and send via (e)mail to the Program Coordinator, Mark Comeau.

Did you know that Pats Peak offers payment plans? Families in need should contact Pats Peak directly to devise an appropriate payment plan for their budget. Further, there is an available scholarship with the program; contact Mark Comeau for details. The Ski School must approve all payment plans and program tags are not issued until full payment is received. Children will be given their ski program tag the first day of skiing. The tag provides access to lift services and acts as a pre-paid card for cafeteria purchases. There is a fee to replace lost tags so affix them securely to a garment.

If school is canceled, the Ski & Ride Program is canceled. All other cancellations will be made by 12:00. We look forward to an enjoyable season on the slopes with your children. Please direct questions to Mark Comeau at 490-7042 (comeaumj@comcast.net).
